

# CITYWIDE PROPERTY PAGES

## 2020 Rate Card...

### [Quick overview...](#)

Our **CITYWIDE PROPERTY PAGES** are a publication that is printed separately from our 7 local Brighton and Hove magazines but is then added into the centre section of all our magazines and distributed through 24,000 local letterboxes each month as well as being placed in over 100 local pick up points.

They are the only printed property pages going through doors in Brighton and Hove each month.

They appear in the centre section of each of our magazines. Each magazine already has a loyal following of local readers in each area...this ensures maximum exposure and great value for money for advertisers.

See each of our publications at [www.brightonandhovemagazines.co.uk](http://www.brightonandhovemagazines.co.uk)

They go to homes in areas that are predominantly made up of home owners – these mainly professional families are already on the property ladder and always interested in houses across the city.

Prices mean that you are paying only 1p to get a full page advert into each separate household.
